WHITNEY JOSEPHIN

# ABOUT ME

Am Whitney Josephin, aged 20 years, a student at Women In Technology Uganda and an aspiring lady in technology with a course of computer science

"I believe in turning ideas into visual stories, that inspire, connect, and transform."

"Design is my language, creativity is my passion, and every project is an opportunity to innovate."

"With a curious mind and a love for creativity, I bring ideas to life through thoughtful and impactful design."

"Passionate about pushing boundaries; I design boundaries, I design with purpose, heart, and vision."

*Your only limit is your imagination*

## IMPORTANT HEADLINE HERE

Ugandan singer alien skin denied bail, sent back to prison over assault and theft

Ugandan singer Patrick Mulwana commonly known as ALIEN Skin, was denied a bail and sent to Luzira Prison on remand following his reappearance in Makindye court this morning.

The father of three, together with his bodyguard Julio, whose real name is Julius Mugabi, was presented before the court early on Monday morning on cases of assault and robbery

Sheebah Karunji welcomes baby boy named Armil, Kabako reveals

Sheebah Karunji's closet friend Roden Y Kabako has revealed that the songstress has given birth to a bouncing baby boy this morning.

Sheebah relocated to Canada, following a successful concert that she held at Lugogo Cricket Oval, filling up the venue with mammoth crowds.

# BLOOD DONATION

Unit No.	Date	Place of Donation	Due Date of next Donation

This card is not transferable. Its presentation by the wrong person would involve serious risk to human life. The owner should keep this card and bring it whenever he/she is called to donate blood.
